DICK SMITH SECRETARY

This is the Banner:

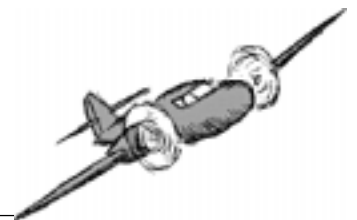

As we start into November, we all need to pull together. There is a tremendous amount of work that should be accomplished. This would be great if we could make it all happen by the end of the month.

I will be getting out the flyers for the Toy's For Kid's fly-in, and would appreciate it if those of you that walked a portion of Florida could do it again. In addition, if anyone else would like to join in please let me know. Last year we did not have enough people doing this job. Also, we will be starting it earlier this year.

The city of Hemet will be putting up a banner advertising the Toy's For Kid's event. It should be up by November the 23<sup>rd</sup> and be up for two weeks. As all of you should know by now, this is one of the biggest things we do for the good of our local community. In addition, we are greatly appreciated for it.

I will keep all of you posted on when and where we need to start these projects.
